Whether you are a veterinary surgeon, pet owner, amateur horse rider or professional stable manager, you will find the right products in Milliken's range to support your business.

We supply cohesive flexible bandages, absorbent dressings and adhesive tapes in numerous sizes and colors, and some of our products feature fun prints that add a touch of personality and enhance your facility's identity.

## THE MILLIKEN DIFFERENCE

### *For the Animal*

- Supports muscles and joints
- Prevents injury
- Secures dressings for wound care
- Stays in place

### *For the Application*

- Eliminates need for scissors with quick, easy application
- Ensures controlled compression - will not constrict
- Adds a touch of personality with fun print options

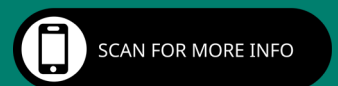

### *For the Clinician*

- Improves clinical ease-of-use with EasyTear technology
- Delivers consistent application
- Increases efficiency, reduces waste, and optimizes budgets

Milliken's cohesive wraps and tapes are designed to empower animals, both large and small, to perform at their best while simplifying and streamlining the veterinarian's job.

| USED FOR:         |                            |
|-------------------|----------------------------|
| Affixing          | Chew Prevention            |
| Splinting         | Immobilization             |
| Light Compression | Splinting & Strapping      |
| Muscle Support    | Patient Positioning        |
| Joint Support     | Holding Dressings in Place |
| Ligament Support  | Puncture Wounds            |
| Wound Care        | Abrasions                  |
| Protection        | Lacerations                |

# WHICH BANDAGE OR TAPE SHOULD I CHOOSE?

- Strongest = PowerFlex
- Companion Animal Favorite = PetFlex
- Best for Budget = CoFlex Vet
- Best for Wound Management = PetFlex AFD or PowerFlex AFD
- Best Adhesive Tape for Reinforcement = PawTape
- Best for Retail = PowerFlex Value Packs

**BEST**

**POWERFLEX**

Flexible Cohesive Bandage

- 23 lbs. of tensile strength
- Straight hand-tear
- Won't shred - high abrasion resistance
- Controlled compression - will not constrict

**BETTER**

**PETFLEX**

Flexible Cohesive Bandage

- 15 lbs. of tensile strength
- EasyTear technology
- Controlled compression - will not constrict

**GOOD**

**COFLEX VET**

Flexible Cohesive Bandage

- 10 lbs. of tensile strength
- Works well even in cold weather
- Controlled compression - will not constrict

## Other Great Options:

**CATTLEWRAP** ..... Flexible Cohesive Bandage

**PAWTAPE** ..... Veterinary Adhesive Tape

**VETTAPPE** ..... Veterinary Cloth Adhesive Tape

**PETFLEX AFD** ..... Absorbent Foam Wrap

**POWERFLEX AFD** ..... Absorbent Foam Wrap

# FLEXIBLE COHESIVE BANDAGE

# POWERFLEX EQUINE

## POWERFLEX

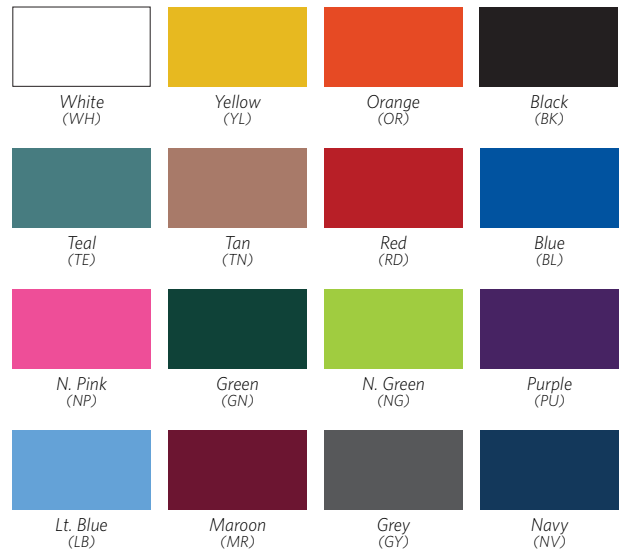

PowerFlex® is our strongest, flexible cohesive bandage ideal for support. High abrasion resistance keeps it from shredding. Ideal for equine and large animal use.

PowerFlex bandages feature straight hand-tearability, eliminating the need for scissors.

- 23 lbs. tensile strength
- Straight hand-tear
- Sweat & water-resistant
- Controlled compression - will not constrict
- Won't shred

Color Options:

| PowerFlex Catalog # | Size        | Rolls/Case | Notes          |
|---------------------|-------------|------------|----------------|
| 3840XX-018          | 4" x 5 yds. | 18         | Contains latex |
| 3840XX-100          | 4" x 5 yds. | 100        |                |

When ordering, please indicate catalog # and color code. For example, 3840TN-018. Prints also available in Reverse Wind using code RXX. For example, 3840RCP-018 (XX = color code).

Green No Chew! print on Yellow featuring bitter taste to prevent chewing

# FLEXIBLE COHESIVE BANDAGE

## PETFLEX

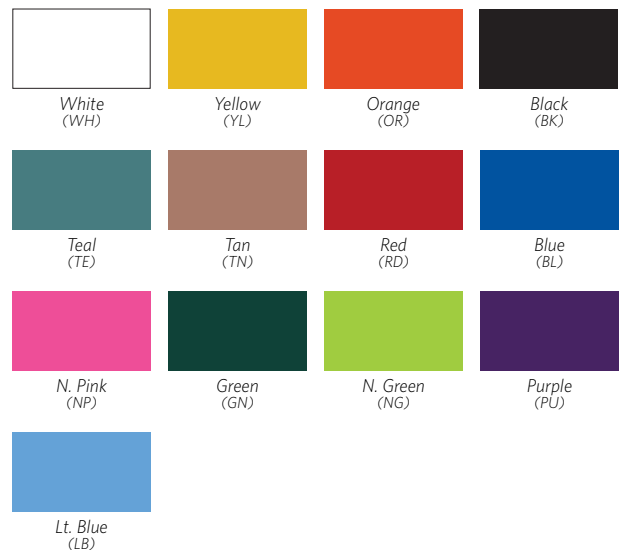

PetFlex® is a self-adhering elastic bandage for animals with multiple uses including affixing, splinting, light compression and wound care needs. Used on companion animals worldwide!

- 15 lbs. tensile strength
- EasyTear technology
- Sweat & water-resistant
- Controlled compression - will not constrict
- Quick, easy application - no scissors needed

The EasyTear technology in our PetFlex self-adhering bandages eliminates the need for scissors.

Color Options:

| PetFlex Catalog # | Size        | Rolls/Case | Notes              |
|-------------------|-------------|------------|--------------------|

| 3540XX-100            | 4" x 5 yds. | 100        |
| 3560XX-012            | 6" x 5 yds. | 12         |
| Cattle Wrap Catalog # | Size        | Rolls/Case |
| 3444XX-100            | 4" x 5 yds. | 100        |

## TAPES

### PAWTAPE and VET TAPE

PawTape is a synthetic alternative to cotton tape featuring fun paw prints. It is the first adhesive tape engineered with a non-stretch, moisture-stable substrate. For small animal use.

- Strong - 33 lbs. tensile strength
- Less than 1% stretch
- Easy hand-tear
- Sweat and water-resistant
- Consistent compression for support and stability

Vet Tape is a breathable adhesive cotton tape that is ideal for large animal use.

- Adhere/secure bandages or wraps
- Above-the-knee support
- Wicks away moisture

| PawTape Catalog #  | Size           | Rolls/Box  | Boxes/Case | Rolls/Case |
|--------------------|----------------|------------|------------|------------|
| 291-005-096N       | ½" x 10 yds.   | 24         | 4          | 96         |
| 291-010-048N       | 1" x 10 yds.   | 12         | 4          | 48         |
| 291-020-024N       | 2" x 10 yds.   | 6          | 4          | 24         |
| Vet Tape Catalog # | Size           | Rolls/Case | Boxes/Case | Rolls/Case |
| 290-005-096N       | ½" x 10 yds.   | 24         | 4          | 96         |
| 290-010-048N       | 1" x 10 yds.   | 12         | 4          | 48         |
| 290-015-032N       | 1 ½" x 10 yds. | 8          | 4          | 32         |
| 290-020-024N       | 2" x 10 yds.   | 6          | 4          | 24         |
| 290-030-016N       | 3" x 10 yds.   | 4          | 4          | 16         |

## WOUND CARE

### PETFLEX AFD and POWERFLEX AFD

PetFlex® AFD and PowerFlex® AFD are all-in-one wound management systems for puncture wounds, abrasions and lacerations. PetFlex AFD is ideal for small animal use, PowerFlex AFD for large animal use.

- Foam pad and PetFlex or PowerFlex cohesive in one
- PetFlex AFD absorbs the equivalent of 29 gauze pads
- PowerFlex AFD absorbs and holds up to 10x its weight
- Quick, easy application
- Consistent compression - will not constrict
- Won't stick to wound bed

| PetFlex AFD Catalog #   | Size          | Rolls/Case |       |
|-------------------------|---------------|------------|-------|
| 2220PW-016              | 2" x 2.5 yds. | 16         |       |
| 2440PW-008              | 4" x 2.5 yds. | 8          |       |
| PowerFlex AFD Catalog # | Size          | Rolls/Case | Color |
| 3744BK-008              | 4" x 2.5 yds. | 8          | Black |
| 3744S-008 (sterile)     | 4" x 2.5 yds. | 8          | White |

When ordering, please indicate catalog # and color code. For example, 3840VFP-024 (XXX = color code).
